Leland Stanford -----	5.00	The Whirlwind -----	2.50

FIREBALL,our 1937 introduction,won five blue ribbons and the Ruscher Memorial Cup,at the 1936 shows. It was awarded a Certificate of Merit at East Lansing,and is an Honor Roll dahlia.

Fireball is a formal decorative,color a brilliant scarlet. It is a one tone color that does not burn in the sun. The foliage is extra heavy and absolutely insect resistant. It is a wonderful keeper when cut,outlasting many standard cut flower varieties. We predict that this flower will be very useful in basket arrangement and as a cut flower.

MARGRACE,our 1936 introduction,came through it's first year with flying colors. We have received many reports of it's success in the show room throughout the country. We ourselves won eight firsts at the three major shows,in classes as follows -

The Dahlia Society of Ohio Show at Cleveland -
Informal decorative or Semi cactus, 6 blooms.
Vase of three blooms of any 1936 introduction.

The National Show at Detroit -
25 blooms,red.
12 blooms,red.

The Mid West Show at Cincinnati -
7 or more blooms of 1936 introduction,one or more varieties.
7 blooms 1936 introduction,one variety.
12 blooms informal decorative.(This was also awarded the O.V.D.A. Meritorious Medal).
7 to 10 blooms brought or shipped not less than 200 miles.

Walter Bissell, Austinburg, Ohio.
